GRANTS**

Ulverston Town Council has a new ENVIRONMENTAL SUSTAINABILITY grant fund. This is an opportunity for small groups/schools/charities and non-profit making groups to apply for a maximum of £200.00 to either pay for the project entirely or to put towards a larger project.

The council will consider all grants which contribute to the environmental sustainability of Ulverston. Grant applications will be considered on a monthly basis. Please note that the council won't pay grants into an individuals' account.
